WATERFRONT STRIKE IS ENDED AT LAST

The long battle between the Califor nia and Oregon Steamship Company and the Sailors' Union of the Pacific was brought to an end yesterday by the dismissal of the injunction suit brough by the former to prevent the latter from interfering with its business. The dismissal was by consent, and Henry Ach, attorney for the company, said that so far as his clients were con cerned the water-front strike was at an end. Several suits are still pend ing which relate to the same difficulties which gave rise to the present ac tion, but it is believed that they, too will be discontinued.

The complaint originally brought by the steamship company was to the ef-fect that the defendants had conspired to prevent the steam schooners Fulton Gualala and Despatch from leaving the port, and had resorted to intimidating tactics to render it difficult or impos-sible to obtain crews for these or any other vessels. Many acts of violence were alleged, including foreible boarding and searching of vessels. The war became very bitter last June and blood

The Sailors Union denied that its members had been guilty of unlawfur acts, and in a cross-complaint charged that the company had not come into court with clean hands. According to the cross-complaint, which was drawn up by Attorney H. W. Hutton, plaintiffs were members of an unlawful organization organized for the restraint of trade, and including the Hawaiian-Steamship Company, the Dollar Steamship Company, H. Hanify & Co., the Oceanic Steamship Company, the Oregon Coal and Navigation Company, the Pacific Coast Steamship Company. J. D. POINT FOR BROWN

(Continued from Page 1.)

Brown ballot on the ground that it was marked, the X opposite Frank Harvey's name having a circle around the point of intersection. The court's decision was that the ballot had been properly counted.

Judge Gear made an objection of the same character, the mark being. he claimed, distinctively opposite the offices of County Attorney and Auditor. His objection was overruled and the ballot was declared properly counted.

Brown gained his first point when ballot, slightly torn on one side was objected to by Judge Gear. The court LONDON BEETS, 8s. 9 3-40 held that the ballot had been improperly counted unless it could be proved rly counted unless it could be proved that it had been torn after leaving the voter's hands, Brown gained again on a ballot which could be identified by the mark after Harvey's name, Another torn ballot for laukea was thrown out with the same ruling as

> Up to noon a little over one-half of he ballots in the precinct had been ounted with the result given above. After the count in this precinct is finished the fight will come over the torn ballots and it will probably be bitterly fought out, as Kinney wishes them to e counted while Judge Gear wishes
